GENERAL RULES FOR ALUMNI DAY-

1. Alumni Day is NOT a Visiting Day. Campers will be out of camp for most of the day. When they return, they cannot and will not be allowed to leave their programs to visit with their families. Please do not attempt to do this. This is out of consideration for other children at camp who may be homesick and do not have visitors and for whom it would be unfair to disrupt program.
2. No pets or alcohol permitted on grounds.
3. All parking is on the ball field.
4. Smoking is permitted in the Laundry area behind the main building only (and never near campers).
5. Alumni may not enter living quarters of staff or campers.
6. Alumni should not socialize with staff while they are working or disrupt the camp routine.
7. All dining rooms are off limits to all alumni and visitors.
8. Alumni are not permitted to enter Teenside until 1:45pm and must leave Teenside by 3:00pm.
