

Staff Packing List

What you'll need this summer...

Laundry will be done for you once a week. We recommend bringing clothing that is inexpensive, easy to care for, and won't be a hassle when it gets dirty. Please remember that you're a role model for campers, so only pack clothing with positive messages. Do not bring any clothing referencing drugs, alcohol, or other mature themes. Most importantly, prioritize comfort! You'll be bringing your A-game to your daily tasks, and feeling good starts with feeling comfortable.
