## Tagging

Three luggage tags for each camper will be sent in the mail. If you have more than one camper, please see the back of the tags for their corresponding names. These tags enable us to get your child's luggage to their living area efficiently on the first day of camp. Luggage tags are needed for all luggage.

Instructions for labeling your child's luggage: each piece of luggage should be labeled in three ways:

1. With the SLC color-coded luggage tag attached on the outside of each bag,
2. With a standard luggage tag that has your child's name,
3. Plus, as a precaution, place a piece of paper inside each bag with your child's name and grade, in case the outside tags fall off.
